Bracketing:

Tournament committee strongly recommends that Mighty Mites and Bantam wrestle in four man round robin brackets. Midget , Novice and Middle School can be four or five man round robin brackets depending on the registration numbers.

When the 5-man (Maryland Crab) round-robin format.

- All wrestlers will be grouped by both age category and weight into 5-man brackets. Each wrestler will wrestle one-another giving each wrestler a total of 4 matches (round-robin format). There are many advantages to doing this. Everyone gets 4 matches.
- When using 8-man brackets with only 7 listed wrestlers the #1 seeded wrestler will only get two (2) matches. Wrestlers with lesser experience tend to only get two (2) matches too. The round robin format automatically gives these wrestlers a 100% increase in the number of matches. Wrestlers of equal caliber can be grouped together providing for more competitive matches. This should give everyone 4 competitive matches versus a #1 seed in an 8-man bracket who usually gets only one (1) competitive match.

It is a very easy format to operate. This will allow the tournaments to be operated more smoothly and in a timely fashion.

With only five (5) rounds the match-ups will be identical each week, each wrestler gets four Matches.

- Round 1- #2 vs #3 and #4 vs #5 with a bye to #1
- Round 2- #1 vs #4 and #3 vs #5 with a bye to #2
- Round 3- #1 vs #5 and #2 vs #4 with a bye to #3
- Round 4- #1 vs #3 and #2 vs #5 with a bye to #4
- Round 5- #1 vs #2 and #3 vs #4 with a bye to #5

With only four (4) rounds the match-ups will be identical each week, each wrestler gets four Matches.

- Round 1- #1 vs #4 and #2 vs #3
- Round 2- #1 vs #3 and #2 vs #4
- Round 3- #1 vs #2 and #3 vs #4

Parents will quickly understand the format and know when their child is finished wrestling for the day.

In the event of multiple wrestlers with the same record, a tie breaker criteria is as follows:

- When only two (2) wrestlers have the identical win-loss record, the tiebreaker will be HEAD to HEAD results, therefore the one who won their match will be determined the higher place finisher.
- When three (3) wrestlers have identical win-loss records the following criteria, in order, will apply- MOST Falls, then MOST Technical fall, MOST major decisions (8 more points then opponent). Scoring total- the wrestler who had scored more points in their 3 matches regardless of the type of decision, fall, forfeit or injury default.
