Weigh-ins-

Club Directors will come to the head table and pick up their Club envelope, which will have their wrestlers listed on the outside and all of their club's participants weigh in cards enclosed. The director will pay the full amount on the envelope and give the weigh in card to their wrestlers at the weigh in area.

All no show wrestlers weigh in cards are to be given to Dave Kanute at the close of weigh ins. THIS IS VERY IMPORTANT FOR REMOVAL OF SCRATCHED WRESTLERS AN PROPER TOURNAMENT SET UP AN OPRATION.

This is a wrestle back for true second tournament and there is no seeding, therefore we will bracket wrestlers from lightest to heaviest and we will separate wrestlers from the same club if possible.

- Weigh-ins will be held 7:30 to close at 8:30 am SHARP for the Bantams & Mighty Mites divisions. All wrestlers must be present at the beginning of weigh-ins. You will not be allowed to leave the area to run-off any weight.
- A skin check will be performed on every wrestler during the weigh-ins. We have professional medical personnel on site and anyone with suspicious skin problems will be removed from the tournament unless accompanied by a doctor, who will approve the competition on site.

Weight Classes

- ✓ A Madison weight class system will be followed. All wrestlers will be grouped relative to both their age and weight. The maximum weight distribution will be no more than 5 lbs for weight classes up to 120 lbs and no more than 10 lbs for weight classes over 120 lbs. Bracket sizes will be a maximum of 8.
- ✓ When weighing-in each wrestler must weigh in wearing a competition singlet.

Coaching

- Only coaches who hold a current USA Wrestling coaches card will be permitted to enter the mat area. The mat area will be cordoned off from the general public.
- A maximum of two people are allowed in each wrestlers corner. **You will not be permitted to hang around the wrestling surfaces unless you are coaching. If**

the wrestler is on deck or in the hole they must sit down or be off to the side and not blocking the spectator's view.

- You will not be permitted to bring video cameras onto the competition area, unless you are authorized to be on the mat as a coach. The two coaches rule still applies and the coaching requirements above also apply. This area will be limited to wrestlers, coaches and tournament personnel.
- **Each coach is asked to confirm that the winning wrestler is properly identified on each bout sheet at the end of each match. This is extremely important for the proper operation of the tournament.**

Miscellaneous

- The wrestling surfaces will be cordoned off from the General Public. Only coaches with the proper identification will be allowed in this area when they have someone wrestling. We will be constantly monitoring this area and removing people who should not be there, if your are found to be in violation of these rules, you will be asked to leave the premises .
- There will be an area where food and drinks can be consumed inside the field house, you must comply with staying in this area when eating or drinking.
