### **KAPWRESTLING TOURNAMENT SYSTEM**

1. Wrestlers will be assigned a bracket number, which will approximate their weight, and the tournament will run generally in order of weight brackets. Thus wrestlers should look for their bracket number on the bracket sheets that will be posted in paper form near the entrance to the gym.
2. Next, wrestlers should refer to the bout boards (see next page for sample) which will be placed around the fieldhouse on computer monitors.
3. Across the top will be in the hole (far left) through now wrestling far right. The mat numbers are down the left side.
4. **Wrestlers should then locate their bout and mat and how many bouts precede theirs. If you do not see your name on the bout board, then you have plenty of time before your bout !**
5. Bout results and scores will be wirelessly communicated to and from the individual scoring tables.
