

Southington Beginners Tournament

Southington High School

720 Pleasant St Southington, CT 06489

February 8, 2015

Qualifications for wrestlers to participate in **Beginner's** tournaments are:

Must be a first year wrestler or have two or more years of experience in which the wrestler has not won a medal in a regular tournament, in which the brackets were greater than three wrestlers, in the current or prior year(s). A wrestler that has two or more years of tournament experience and has also won two Beginners tournaments in the same year or a prior year, then that wrestler is not eligible to wrestle in subsequent beginner's tournaments.

In the event these rules are violated, the coach and club director must participate on a conference call with the State Chairman, Kids director and one other board member, to present their rationale for violating these rules of participation. This committee will review the facts and recommend a punishment for the club, coach and possibly the athlete to the full board of directors to accept or implement their own punishment.

All wrestlers will be grouped by both age category and weight into **4-man brackets**. Each wrestler will wrestle one-another giving each wrestler a total of **3 matches (round-robin format)**. There are many advantages to doing this. The top three wrestlers in each group will receive medals.
