#### Coaching

- Only coaches who hold a current USA Wrestling coaches card will be permitted to enter the mat area.
- A maximum of two people are allowed in each wrestler's corner. You will not be permitted to hang around the wrestling surfaces unless you are coaching. If the wrestler is on deck or in the hole they must sit down or be off to the side and not blocking the spectator's view.
- You will not be permitted to bring video cameras onto the competition area, unless you are authorized to be on the mat as a coach. The two coaches' rule still applies and the coaching requirements above also apply. This area will be limited to wrestlers, coaches and tournament personnel.

- Each coach is asked to confirm that the winning wrestler is properly identified on each bout sheet at the end of each match. This is extremely important for the proper operation of the tournament.

#### Miscellaneous

- The wrestling surfaces will be cordoned off from the General Public. Only coaches with the proper identification will be allowed in this area when they have someone wrestling. We will be constantly monitoring this area and removing people who should not be there, if you are found to be in violation of these rules, you will be asked to leave the premises.

#### **The Code of Conduct Rules will be strictly enforced.**

Coaches and Spectators Conduct--- This code of conduct has been established to ensure that there is a defined method for the handling of unacceptable conduct by coaches at USAWCT sanctioned wrestling events. The responsibility of the assigned officials and the USAWCT Board of Directors is described in the document posted on the website ([www.usawct.org](http://www.usawct.org)).
