Weigh-ins-

📌 Club Directors will come to the head table and pick up their Club envelope, which will have their wrestlers listed on the outside and all of their club's participants weigh in cards enclosed. The director will pay the full amount on the envelope and give the weigh in card to their wrestlers at the weigh in area.

📌 All no show wrestlers weigh in cards are to be given to the head table ASAP THIS IS VERY IMPORTANT FOR REMOVAL OF SCRATCHED WRESTLERS AND PROPER TOURNAMENT SET UP AND OPREATION.

📌 Weigh-ins will be begin at 7:30am and close at 8:30am SHARP. All wrestlers must be present at the beginning of weigh-ins. You will not be allowed to leave the area to runoff any weight.

📌 A skin check will be performed on every wrestler during the weigh-ins. We have professional medical personnel on site and anyone with suspicious skin problems will be removed from the tournament unless accompanied by a doctor's note. The trainer has final say.

Weight Classes

📌 A Madison weight class system will be followed. All wrestlers will be grouped relative to both their age and weight.

📌 When weighing-in each wrestler must weigh in wearing a competition singlet.

📌 This is a wrestle back for true second tournament and there is no seeding, therefore we will bracket wrestlers from lightest to heaviest and we will separate wrestlers from the same club if possible.

Coaching

📌 Only coaches who hold a current USA Wrestling coaches card will be permitted to enter the mat area. **Tournament Director holds the right to remove any Coach/Parent/Athlete/Spectator as he sees fit.**

📌 A maximum of two people are allowed in each wrestler's corner. You will not be permitted to hang around the wrestling surfaces unless you are coaching. If the wrestler is on deck or in the hole they must sit down or be off to the side and not blocking the spectator's view.

📌 You will not be permitted to bring video cameras onto the competition area, unless you are authorized to be on the mat as a coach. The two coaches' rule still applies and the coaching

requirements above also apply. This area will be limited to wrestlers, coaches and tournament personnel.

■ Each coach is asked to confirm that the winning wrestler is properly identified on each bout sheet at the end of each match. This is extremely important for the proper operation of the tournament.

Miscellaneous

■ The wrestling surfaces will be cordoned off from the General Public. Only coaches with the proper identification will be allowed in this area when they have someone wrestling. We will be constantly monitoring this area and removing people who should not be there, if you are found to be in violation of these rules, you will be asked to leave the premises.

The Code of Conduct Rules will be strictly enforced. Coaches and Spectators Conduct--- This code of conduct has been established to ensure that there is a defined method for the handling of unacceptable conduct by coaches at USAWCT sanctioned wrestling events. The responsibility of the assigned officials and the USAWCT Board of Directors is described in the document posted on the website (www.usawct.org).
