This is applicable to only those wrestlers who are both born in 2002 and are in the eighth (8th) grade. The Middle School division will therefore include only those wrestlers who are presently in the 7th and 8th grade and have a birth year in 2002, 2003 or 2004. 6th graders can also be in the Middle School Division if their date of birth allows

USAWCT encourages clubs that run the tournaments to create an additional bracket for Girls to wrestle other Girls in addition to their co-ed bracket.
USAWCT strongly encourage clubs to award medals to the participants of these additional brackets without added cost to participants.

Wrestlers , Coaches and Spectators Conduct--- This code of conduct has been established to ensure that there is a defined method for the handling of unacceptable conduct by coaches at USAWCT sanctioned wrestling events. The responsibility of the assigned officials and the USAWCT Board of Directors is described in this document.

If a wrestler is ejected from a tournament for Flagrant Misconduct that wrestler will be disqualified to wrestle in the next tournament. The Head Officials is to make the Officials Director and the State Chairperson aware of this ejection as soon as possible.

Symbolic Yellow Cards can be given to a coach by the official if a coach is issued a Warning.

Warnings are given for: 1) Questioning Judgment 2) Improper Action of a Coach

- As described by the current season tournament guidelines, policy on harassment and abuse or other applicable state or national guidelines.

Symbolic Red Cards can be given if a Coach is issued a Flagrant Misconduct. *If a Coach is issued a Red Card that Coach will not be able to participate in the next USAWCT tournament that their team is attending.*

Flagrant Misconduct is: 1) An act the Official judges serious enough to remove offender from the premises 2) As described by the current season tournament guidelines, policy on harassment and abuse or other applicable state or national guidelines.

2- Yellow cards in the same day will be considered a Red Card in which the Coach will not be able to participate in the remainder of the current or the next tournament that their team is attending.

3- Yellow cards during the season will be an automatic Red Card in which the Coach will not be able to participate in the next tournament that their team is attending following the day the third yellow card is issued.

If the Coach received 2 Red Cards in the same season this will be grounds for an Automatic Due Process Hearing as defined in the USAWCT Bylaws. If the Coach refuses to participate in the Due Process Hearing their coach's card will be automatically suspended for an entire year without appeal. Officials will fill out a form explaining the reason for either a yellow or red card. Each club will be asked to designate a Head Coach for each Session of the Tournament for that Day. This will be done at registration.

Head Coach will be the point of contact regarding the conduct of their staff and fans.

Bracketing:

Tournament committee strongly recommends that Mighty Mites and Bantam wrestle in four man round robin brackets. Intermediate , Novice and Middle School can be four or five man round robin brackets depending on the registration numbers.

When the 5-man (Maryland Crab) round-robin format.

- All wrestlers will be grouped by both age category and weight into 5-man brackets. Each wrestler will wrestle one-another giving each wrestler a total of 4 matches (round-robin format). There are many advantages to doing this. Everyone gets 4 matches.
- When using 8-man brackets with only 7 listed wrestlers the #1 seeded wrestler will only get two (2) matches. Wrestlers with lesser experience tend to only get two (2) matches too. The round robin format automatically gives these wrestlers a 100% increase in the number of matches. Wrestlers of equal caliber can be grouped together providing for more competitive matches. This should give everyone 4 competitive matches versus a #1 seed in an 8-man bracket who usually gets only one (1) competitive match.

It is a very easy format to operate. This will allow the tournaments to be operated more smoothly and in a timely fashion.

With only five (5) rounds the match-ups will be identical each week, each wrestler gets four Matches.

- Round 1- #2 vs #3 and #4 vs #5 with a bye to #1
- Round 2- #1 vs #4 and #3 vs #5 with a bye to #2
- Round 3- #1 vs #5 and #2 vs #4 with a bye to #3
- Round 4- #1 vs #3 and #2 vs #5 with a bye to #4
- Round 5- #1 vs #2 and #3 vs #4 with a bye to #5

With only three (3) rounds the match-ups will be identical each week, each wrestler gets 3 matches.

- Round 1- #1 vs #4 and #2 vs #3
- Round 2- #1 vs #3 and #2 vs #4
- Round 3- #1 vs #2 and #3 vs #4

In the event of multiple wrestlers with the same record, a tie breaker criteria is as follows:

- When only two (2) wrestlers have the identical win-loss record, the tiebreaker will be HEAD to HEAD results, therefore the one who won their match will be determined the higher place finisher.

- When three (3) wrestlers have identical win-loss records the following criteria, in order, will apply- MOST Falls, then MOST Technical fall, MOST major decisions (8 more points than opponent). Scoring total- the wrestler who had scored more points in their 3 matches regardless of the type of decision, fall, forfeit or injury default. In the event that each of the 3 wrestlers in the tie breaker all have a fall, then the least amount of time aggregate of the three will be the winner and will break the tie, then the other two placements are based upon head to head results.

Qualifiers- Date *February 19, 2017*

Only wrestlers from the Intermediate, Novice and Middle School age categories will need to Qualify for the State Championship. There will be no exceptions to this policy

There will be a mandatory questionnaire sent to Clubs Director around January 2017 requesting that each report the number of Novice and Middle School wrestlers from their club that will attend the qualifiers for the Kids State Championships. The Club Directors on the BOD will gather this information and remit it to the State Chairperson by January 19th. The tournament committee will then determine which Clubs will be at which Qualifying location. This determination by the tournament committee will be presented and approved or amended by the Board of Directors before January 23, 2017.

- **A survey will be given at the beginning of January to all clubs asking to give estimated numbers of who will be attending the State Tournament for the Intermediate, Novice and Middle School Divisions.
